

Updating your name, address, or contact info

Cawood stores your name, address, and contact information to support normal business operations. For more information about how your information is used, managed, and secured, please see our [Terms of Use](#) and [Privacy Policy](#).

If you would like to make edits to your account information, please contact us on **01344 886338** or [online](#).

Once authorised, updates will be made to your account and reflected on the Hub within three business days.
